Commissioner

December 28, 2004

This letter was sent to the people on the attached list.

Dear :

The New York State Department of Environmental Conservation (DEC) maintains a Registry of sites where hazardous waste disposal has occurred. Property located at 100 Commercial Street in the Town of Plainview, County of Nassau and designated as Tax Map Number Section 13, Block 98, Lot 5 was listed in the Registry because there was some concern that hazardous waste was deposited there. The name and site ID number of this property is listed in the Registry as 100 Commercial Street, Site ID 130075. The DEC is proposing to delist this site from the Registry. The reason for proposing the removal of this site from the Registry is as follows:

- Remediation of the on-site source area has eliminated a current and future source of groundwater contamination. Concentrations of volatile organic compounds in soil and groundwater have been reduced to levels below the cleanup objectives (TAGM #4046 and NYS Groundwater Standards, respectively). Analysis of soil gas and interior air sampling have revealed that no significant contaminant levels exist.

Public comments about delisting this site are being received before the decision to remove this site from the Registry is finalized. If you would like to provide us with your written comments, please send them to: Jamie Ascher, New York State Department of Environmental Conservation - Region 1, SUNY Campus, Bldg. 40, Stony Brook, NY 11790.

The public comment period will end January 29, 2005. A summary of any comments we receive will be made available at our Region 1 Headquarters in Stony Brook, NY.

If we do not receive any new or additional information during this public comment period that changes our proposal, we will delist the identified site on or after February 28, 2005.

We are sending this letter to you and others who own property near the site listed above as well as the county and town clerks. We are notifying you about these activities at this site because we believe it is important to keep you informed.

**If you currently are renting or leasing your property to someone else, please share this information with them. If you no longer own the property to which this letter was sent, please provide this information to the new owner and provide this office with the name and address of the new owner so that we can correct our records.**

If you have any questions or seek additional information, please contact me at (518) 402-9553, or in writing using the address given above.

Sincerely,
